REGULAR MEETING, April 5th, 1889.

Vice-President A. A. Breneman in the chair.

Morris Loeb, Ph. D., of Newport, R. I., was unanimously elected a member of the Society.

Mr. Wm. R. Potter was nominated for membership.

Dr. Kent made some remarks upon the detection of tin salts in molasses.

Some general discussion followed.

The meeting then adjourned.

DURAND WOODMAN.
Recording Secretary.
